

ART INSTIGATOR'S NAME:

I invite you to collaborate with me
on an artwork
for you
inspired
by you

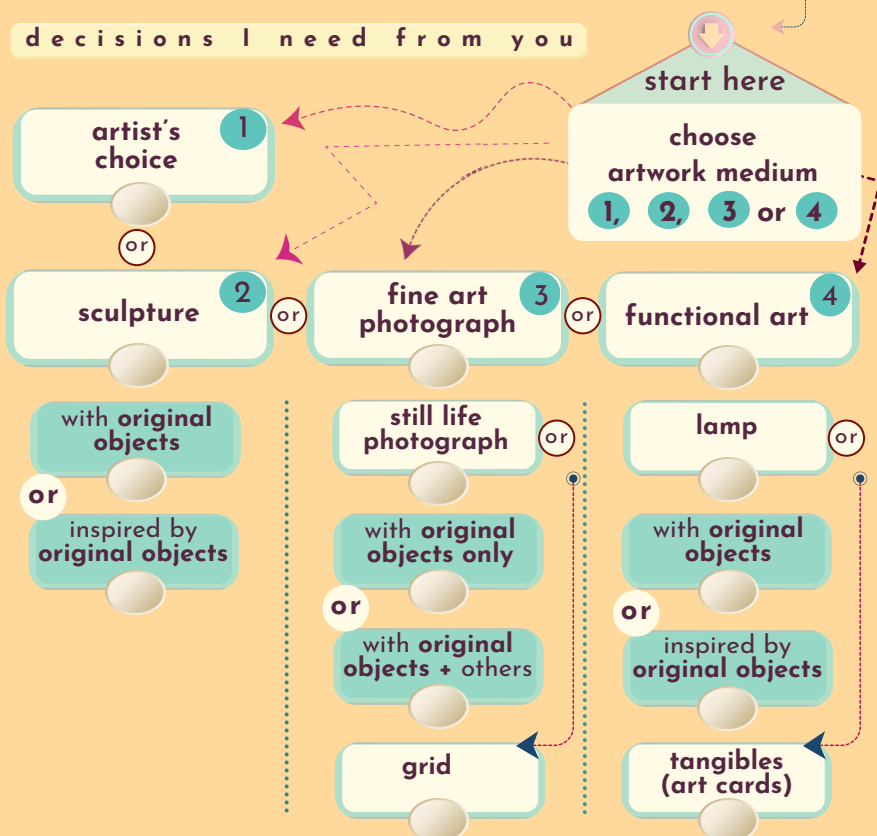

take a breath and follow these steps:

- Get curious
- Think of your special and beloved objects,
hidden in boxes that could become an artwork
- hair from your first haircut,
- baby teeth,
- dried flowers from a long-ago special day,
- old toys,
- tattered well loved shoes, think think think...
- Perhaps you have objects you need or want to let go of,
but aren't quite ready to if it means you have no trace of
them left
